Dear colleagues,

It is our great pleasure to invite you to the 2nd Regional DBS meeting: "Deep brain stimulation: New Horizons in Neurology and Psychiatry” in Zagreb, Croatia, May 4-6, 2017. Deep brain stimulation has developed during the past 30 years as a remarkable treatment option for several brain disorders. DBS has also evolved significantly during the past decade at University Hospital Dubrava Zagreb as the Referral Centre of the Croatian Ministry of Health for Stereotactic and Functional Neurosurgery. This meeting will provide a state-of-the-art coverage of current DBS practice and future directions in this region of Europe and in the world. The various topics will be covered by an international faculty of distinguished invited lecturers from London, Shanghai, Grenoble, Ljubljana, Belgrade, Yale, Stockholm, Split, Rijeka and Zagreb.

We hope this meeting will be of interest and we look forward to welcoming you in Zagreb.

Darko Chudy and Vladimira Vuletic,
meeting organisers

Zagreb, capital of the Republic of Croatia, is also its largest city and the cultural, economic, sporting and governmental hub of the country. It is located on the southern slopes of Medvednica Mountain along the banks of the Sava River. Culturally, it is a European city well worth visiting, with its numerous historical monuments and medieval architecture.

Enjoy your stay in Zagreb, where you can easily meet remarkable people, make new friends and enjoy special moments.
